All-Ireland Pollinator Plan

Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. Why: Insecticides have been found to kill, harm, and

disorientate pollinators. Herbicides kill the ‘weeds’ that provide them with important food. www.pollinators.ie/top-ten-ways-to-help-pollinators/

Treasure Ireland

A new video series launched recently by the Irish Dominicans is an ambitious project that will take the friars to every county in Ireland, filming roughly ten videos in each county, highlighting the many and varied stories that make up the history of Irish Christianity.

The series is currently focussed on the counties which overlap with the territory of the diocese of Kildare and Leighlin: Laois, Kildare, Carlow, and (soon!) Kilkenny.

Some of the sites visited include Timahoe, the Rock of Dunamase, and the Brownshill Dolmen. The story of Jesuit photographer, Fr Frank Browne, is told in a video recorded in Emo Court, and that of pioneering scientist, Fr Nicholas Callan, in a video from Maynooth.

The stories of the great saints of these counties feature prominently: there are videos on St Brigid, St Mochua, St Moling, St Fergal of Aghaboe, and the Dominican martyr, Blessed Peter O’Higgins. There’ll soon be added to that list the stories of two great bishops of Kildare and Leighlin: Daniel Delany (d. 1814) and James Doyle (d. 1834), also known as J.K.L. (‘James of Kildare and Leighlin’).

All of these stories are told in a way designed to interest believers and non-believers alike, showing, bit by bit, that the Gospel is woven inseparably into the fabric of Irish history.

The videos can be viewed on <https://www.kandle.ie/treasure-ireland/> and <https://www.youtube.com/irishdominicans>

A message from an Garda Siochana

An Garda Siochana wish to warn people of a doorstep fraud and theft offence which has become prevalent over the last number of weeks.

Elderly People are being targeted at their homes by Criminals who are impersonating Gardaí. The offenders are fraudulently pretending to be plain clothes Gardaí who are checking for dud money. They have duped people all around the country and stolen their cash on the pretence of checking to see if it is genuine money. They are producing false identification to assist the process.

Advice:

- An Garda Síochána will never ask people about their finances on the doorstep of their homes and will never ask to check money
- Always ask for Identification and do not be afraid to question it. If in doubt politely tell the caller that you want to verify their true identity. If necessary contact your local Garda Station who will be able to establish quickly if the caller is a member of An Garda Síochána.
- Report any such activity to your local Garda Station even if you have not been the victim of a theft. That report could save a neighbour or someone else close by.
- Please check on elderly neighbours, family and friends and advise and reassure them
