### For the Beauty of the Earth (John Rutter)

For the beauty of the earth, for the beauty of the skies,  
For the love which from our birth, over and around us lies,  
Over and around us lies

Lord of all, to Thee we raise this our joyful hymn of praise

For the beauty of each hour, of the day and of the night,  
Hill and vale and tree and flower;  
Sun and moon and stars of light,  
sun and moon and stars of light

Lord of all, to Thee we raise this our joyful hymn of praise

For the joy of human love, brother, sister, parent, child,  
Friends on earth and friends above;

For all gentle thoughts and mild, for all gentle thoughts and mild  
Lord of all, to Thee we raise this our joyful hymn of praise

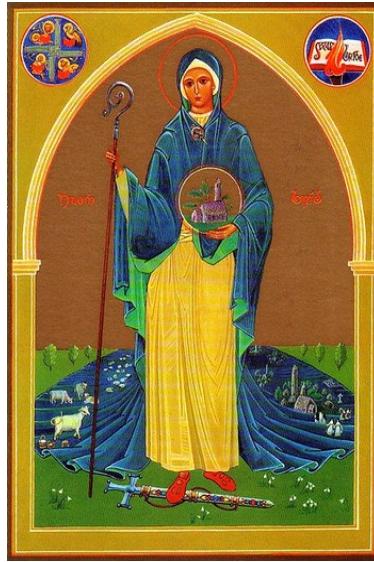

For each perfect gift of thine, unto us so freely given,  
Graces human and divine,

flow'rs of earth and buds of heav'n

flow'rs of earth and buds of heav'n

Lord of all, to Thee we raise this our joyful hymn of praise

# Brigid

You were a woman of peace.  
You brought harmony where there was conflict.  
You brought light to the darkness.  
You brought hope to the downcast.  
May the mantle of your peace cover those  
who are troubled and anxious,  
and may peace be firmly rooted in  
our hearts and in our world.  
Inspire us to act justly and to  
reverence all God has made.  
Brigid you were a voice  
for the wounded and the weary.  
Strengthen what is weak within us.  
Calm us into a quietness that heals and listens.  
May we grow each day into greater wholeness  
in mind, body and spirit. Amen.

## **All-Ireland Pollinator Plan**

Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. Why: Insecticides have been found to kill, harm, and disorientate pollinators. Herbicides kill the 'weeds' that provide them with important food. ## **Treasure Ireland**

A new video series launched recently by the Irish Dominicans is an ambitious project that will take the friars to every county in Ireland, filming roughly ten videos in each county, highlighting the many and varied stories that make up the history of Irish Christianity.

The series is currently focussed on the counties which overlap with the territory of the diocese of Kildare and Leighlin: Laois, Kildare, Carlow, and (soon!) Kilkenny.

Some of the sites visited include Timahoe, the Rock of Dunamase, and the Brownhill Dolmen. The story of Jesuit photographer, Fr Frank Browne, is told in a video recorded in Emo Court, and that of pioneering scientist, Fr Nicholas Callan, in a video from Maynooth.

The stories of the great saints of these counties feature prominently: there are videos on St Brigid, St Mochua, St Moling, St Fergal of Aghaboe, and the Dominican martyr, Blessed Peter O'Higgins. There'll soon be added to that list the stories of two great bishops of Kildare and Leighlin: Daniel Delany (d. 1814) and James Doyle (d. 1834), also known as J.K.L. ('James of Kildare and Leighlin').

All of these stories are told in a way designed to interest believers and non-believers alike, showing, bit by bit, that the Gospel is woven inseparably into the fabric of Irish history.

The videos can be viewed on <https://www.kandle.ie/treasure-ireland/> and <https://www.youtube.com/irishdominicans>

Autumn Seed Saving Session with Lucy Bell

Thursday 5th September, 6 - 7pm

Dive into the autumn journey with seeds! In this session we'll explore some more seed stories, looking to the biennial seed crops. We will look at this year's harvest and how to save it, and some of the growing problems that arose in this changeable year of 2024.

Lucy Bell, the founder of Growing Wild, is an organic horticulturist, environmental educator, and trained Forest School Leader. Lucy facilitates ways for people, both young and old, to connect to nature through time out in nature, be it learning how to grow food, immersing in a woodland setting, hunting for creatures in water or land, planting trees and plants for pollinators, foraging for wild plants or creating living willow structures.

Exhibition Launch: 'The Braveheart Movie Landscapes' by Michael Rowley

Thursday 19th September, 6 - 7pm

2024 marks 30 years since Mel Gibson directed his movie Braveheart on the Curragh and in other places around Kildare, Wicklow and Meath. In 1994, Michael Rowley had a brief job mucking out the stunt horses working on this movie. This gave him access to the film set and he watched transfixed as the different scenes were shot each day on the Curragh.

Now 30 years later, working as an artist, Michael has made a series of paintings using the Curragh landscapes which featured in Braveheart.

No Booking Required – Everyone Welcome!

Exhibition will be on display from 14th September

## **A message from an Garda Siochana**

An Garda Siochana wish to warn people of a doorstep fraud and theft offence which has become prevalent over the last number of weeks.

Elderly People are being targeted at their homes by Criminals who are impersonating Gardaí. The offenders are fraudulently pretending to be plain clothes Gardaí who are checking for dud money. They have duped people all around the country and stolen their cash on the pretence of checking to see if it is genuine money. They are producing false identification to assist the process.

**Advice:**

- An Garda Siochana will never ask people about their finances on the doorstep of their homes and will never ask to check money
- Always ask for Identification and do not be afraid to question it. If in doubt politely tell the caller that you want to verify their true identity. If necessary contact your local Garda Station who will be able to establish quickly if the caller is a member of An Garda Siochana.
- Report any such activity to your local Garda Station even if you have not been the victim of a theft. That report could save a neighbour or someone else close by.
- Please check on elderly neighbours, family and friends and advise and reassure them
