When a crime wave hits Happy Valley, there's a caseload of mysteries to be solved! Who's stolen Ma Hubbard's recipe book? Who's kidnapped Marigold the cow? And what secret is Papa Bear hiding behind his Porridge Empire? It's up to Private Detective Jack Spratt to uncover the terrifying truth in this tale of manic mystery, sparkling songs and bowlfuls of belly laughs! Come and join the fun in the CWMS hall April 3rd - 5th. Tickets available from our school office now!

We are so proud of our 82 students from 5th and 6th who have formed a talented, energetic and hard-working cast. The children have been extremely dedicated and of course have been having lots of fun at rehearsals, as have the staff as we watch it all come together. There is definitely a buzz in the air with just 3 weeks to go!

***St. Brigid, Her Definitive Story, by Tom Madden.***

Meet St. Brigid as Child, Nun, Saint...

Her intriguing story will enrich you. The history of Irish Community life is fully captured in this book – St. Brigid, Her Definitive Story, by Tom Madden.

It is a beautifully presented hard backed book published by Fitzwilliam Publishing and retails at €40 per copy. Trade discount 25%

Lavishly illustrated with original photographs and drawings that chronicle the early Irish monastic movement of which St. Brigid was a leader and innovator. This book is a ten-year thoroughly researched study of the spread of Celtic communities through Ireland and their embracing of Christianity.

St. Brigid's travels as theologian, educator, goldsmith and guest orator are explored as is her reputation as a prayerful miracle worker.

This book contains hitherto un-referenced details learned from the recorded lives of other contemporary saints who acknowledged her as mother patroness of all monasteries.

Her monastery at Kildare housed Schools, A scriptorium, Hospital, metal working and a most beautiful place for Divine worship.

The illustrations from all over Ireland are monuments to the care and inspiration of the communities where she served as educator extraordinaire.

St. Brigid – Her Definitive Story, is available from all local bookshops.

## **All-Ireland Pollinator Plan**

Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. Why: Insecticides have been found to kill, harm, and disorientate pollinators. Herbicides kill the 'weeds' that provide them with important food. ## **A message from an Garda Siochana**

An Garda Siochana wish to warn people of a doorstep fraud and theft offence which has become prevalent over the last number of weeks.

Elderly People are being targeted at their homes by Criminals who are impersonating Gardaí. The offenders are fraudulently pretending to be plain clothes Gardaí who are checking for dud money. They have duped people all around the country and stolen their cash on the pretence of checking to see if it is genuine money. They are producing false identification to assist the process.

**Advice:**

- An Garda Síochána will never ask people about their finances on the doorstep of their homes and will never ask to check money
- Always ask for Identification and do not be afraid to question it. If in doubt politely tell the caller that you want to verify their true identity. If necessary contact your local Garda Station who will be able to establish quickly if the caller is a member of An Garda Síochána.
- Report any such activity to your local Garda Station even if you have not been the victim of a theft. That report could save a neighbour or someone else close by.
- Please check on elderly neighbours, family and friends and advise and reassure them

Behaviour Support for Your Neurodivergent Child with Eimear Kelly - Session 1  
Thursday 13th March 7pm

Understanding Behaviour Needs and Tools to Create a Behaviour Support Plan for Home.

This opening session will provide an overview of neurodiversity and autism. We will look at behaviour from a needs-based, communication-based and functional perspective. We will explore tools and strategies that can provide an understanding of why a behaviour is happening, how the environment can impact behaviour and what is the communication attempt behind that behaviour. When we know what is driving the behaviour, we can then create a plan of individualised and person-centred strategies that can support that young person.

Book here for Understanding Behaviour Needs and Tools to Create a Behaviour Support Plan for Home.

Session 2

Thursday 27th March 7pm

Practical Strategies Part 1

This session will explore the importance of proactive strategies, proactive meaning before the behaviour occurs. Proactive strategies can be used to enable the young person to engage in behaviours that will support and increase their quality of life, wellbeing and their feelings of happiness, confidence and independence. Proactive strategies can also be used to decrease the levels of overload, anxiety or overwhelm felt in certain situations.

Book here for Practical Strategies Part 1

Session 3

Thursday 3rd April 7pm

Practical Strategies Part 2

This session will explore the importance of reactive strategies, reactive meaning after the behaviour has occurred. Reactive strategies can be used when the young person is already feeling overloaded, highly anxious or overwhelmed. These strategies can support the young person to return to a regulated and relaxed state, while providing them with a sense of validation, compassion and a feeling of safety.

Book here for Practical Strategies Part 2

Session 4

Thursday 10th April

Putting the Plan Together and Q&A (workshop on attendee's specific needs)

This final session will look at putting all the strategies together so that attendees will leave the training with a workable plan that they can use at home. We will look at real life examples of how behaviour support strategies can be implemented, along with skills on how to adapt and change the plan depending on the evolving needs of your child. The session will finish with a Q&A on attendee's specific needs and questions.
