Queen of the May

Bring flowers of the rarest,
Bring blossoms the fairest,
From garden and woodland and hillside and dale;
Our full hearts are swelling, our glad voices telling
The praise of the loveliest flower of the vale.
O Mary, we crown thee with blossoms today,
Queen of the Angels and Queen of the May,
O Mary, we crown thee with blossoms today,
Queen of the Angels and Queen of the May,
Their lady they name thee,
Their mistress proclaim thee,
Oh, grant that thy children on earth be as true
As long as the bowers, Are radiant with flowers
As long as the azure shall keep its bright hue.
Sing gaily in chorus,
The bright angels o'er us
Re-echo the strains we begin upon earth;
Their harps are repeating, The notes of our greeting,
For Mary herself is the cause of our mirth.

Pilgrim Walks In Glendalough

At the Glendalough Hermitage Centre, we are delighted to offer parish groups from all localities a pilgrim experience in the beautiful valley of Glendalough, visiting the sacred sites associated with the 6th Century Saint Kevin and the monastic settlement which flourished through the “Golden Age of Celtic Christianity”.

Our project was initiated in the Jubilee Year 2000 by the Archdiocese of Dublin at the

beginning of the third millennium, with the purpose of ‘restoring Glendalough as a place of pilgrimage’ and during this Jubilee Year 2025, we invite all ‘Pilgrims of Hope’ to experience a life-giving day in the Valley of the Seven Churches. Our own parish church, St. Kevin’s of Laragh has been designated as an additional Jubilee Church during this year.

St. Brigid, Her Definitive Story, by Tom Madden.

Meet St. Brigid as Child, Nun, Saint...

Her intriguing story will enrich you. The history of Irish Community life is fully captured in this book – St. Brigid, Her Definitive Story, by Tom Madden.

It is a beautifully presented hard backed book published by Fitzwilliam Publishing and retails at €40 per copy. Trade discount 25%

Lavishly illustrated with original photographs and drawings that chronicle the early Irish monastic movement of which St. Brigid was a leader and innovator. This book is a ten-year thoroughly researched study of the spread of Celtic communities through Ireland and their embracing of Christianity.

St. Brigid's travels as theologian, educator, goldsmith and guest orator are explored as is her reputation as a prayerful miracle worker.

This book contains hitherto un-referenced details learned from the recorded lives of other contemporary saints who acknowledged her as mother patroness of all monasteries.

Her monastery at Kildare housed Schools, A scriptorium, Hospital, metal working and a most beautiful place for Divine worship.

The illustrations from all over Ireland are monuments to the care and inspiration of the communities where she served as educator extraordinaire.

St. Brigid – Her Definitive Story, is available from all local bookshops.

Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. A message from an Garda Siochana

An Garda Siochana wish to warn people of a doorstep fraud and theft offence which has become prevalent over the last number of weeks.

Elderly People are being targeted at their homes by Criminals who are impersonating Gardaí. The offenders are fraudulently pretending to be plain clothes Gardaí who are checking for dud money. They have duped people all around the country and stolen their cash on the pretence of checking to see if it is genuine money. They are producing false identification to assist the process.

Advice:

- An Garda Siochana will never ask people about their finances on the doorstep of their homes and will never ask to check money
- Always ask for Identification and do not be afraid to question it. If in doubt politely tell the caller that you want to verify their true identity. If necessary contact your local Garda Station who will be able to establish quickly if the caller is a member of An Garda Siochana.
- Report any such activity to your local Garda Station even if you have not been the victim of a theft. That report could save a neighbour or someone else close by.
- Please check on elderly neighbours, family and friends and advise and reassure them

Exhibition Launch: ‘Sleeping in a forest’ by Jennifer Reynolds

Saturday, April 5th, 2.30pm

This series (30 pieces) explores the liminal space between wakefulness and sleep, where the edges of reality soften, and the boundaries between human and nature begin to blur.

Inspired by readings such as Sacred Nature by Karen Armstrong and The Language of Trees by Katie Holden, this work delves into the profound, sometimes sacred connection between humanity and the natural world. The forest becomes both a sanctuary and a mirror—a place where time stretches, stills, and folds into itself. No booking required - all welcome!

This exhibition will be on display from Saturday 5th to Wednesday 30th of April.
