The Feast of the Body & Blood of Christ

Lord, we are grateful
Now, may we be generous.

Lord, we have been nourished.
Now, may we nourish one another.

May we be bread for each other.
The Bread of compassion
The Bread of encouragement
The Bread of Life.

Top Ten Ways to Help Pollinators:

Plant pollinator friendly trees

Native trees and shrubs such as Willow, Hawthorn, Rowan, Crab Apple, and Holly support huge numbers of insects including pollinators.

Why: Trees that blossom in Spring are a low-maintenance, vital source of food for pollinators. Trees contribute to a healthy climate and biodiversity, supporting a rich variety of organisms such as lichens, mosses, birds, mammals, and insects.

Where: Anywhere there is space.

Pilgrim Walks In Glendalough

At the Glendalough Hermitage Centre, we are delighted to offer parish groups from all localities a pilgrim experience in the beautiful valley of Glendalough, visiting the sacred sites associated with the 6th Century Saint Kevin and the monastic settlement which flourished through the “Golden Age of Celtic Christianity”.

Our project was initiated in the Jubilee Year 2000 by the Archdiocese of Dublin at the beginning of the third millennium, with the purpose of ‘restoring Glendalough as a place of pilgrimage’ and during this Jubilee Year 2025, we invite all ‘Pilgrims of Hope’ to experience a life-giving day in the Valley of the Seven Churches. Our own

parish church, St. Kevin's of Laragh has been designated as an additional Jubilee Church during this year.

St. Brigid, Her Definitive Story, by Tom Madden.

Meet St. Brigid as Child, Nun, Saint...

Her intriguing story will enrich you. The history of Irish Community life is fully captured in this book – St. Brigid, Her Definitive Story, by Tom Madden.

It is a beautifully presented hard backed book published by Fitzwilliam Publishing and retails at €40 per copy. Trade discount 25%

Lavishly illustrated with original photographs and drawings that chronicle the early Irish monastic movement of which St. Brigid was a leader and innovator. This book is a ten-year thoroughly researched study of the spread of Celtic communities through Ireland and their embracing of Christianity.

St. Brigid's travels as theologian, educator, goldsmith and guest orator are explored as is her reputation as a prayerful miracle worker.

This book contains hitherto un-referenced details learned from the recorded lives of other contemporary saints who acknowledged her as mother patroness of all monasteries.

Her monastery at Kildare housed Schools, A scriptorium, Hospital, metal working and a most beautiful place for Divine worship.

The illustrations from all over Ireland are monuments to the care and inspiration of the communities where she served as educator extraordinaire.

St. Brigid – Her Definitive Story, is available from all local bookshops.

All-Ireland Pollinator Plan

Avoid using insecticides, fungicides and herbicides These potent chemical cocktails are designed to kill various organisms. One of the best things you can do for pollinators is avoid using them. A message from an Garda Siochana

An Garda Siochana wish to warn people of a doorstep fraud and theft offence which has become prevalent over the last number of weeks.

Elderly People are being targeted at their homes by Criminals who are impersonating Gardaí. The offenders are fraudulently pretending to be plain clothes Gardaí who are checking for dud money. They have duped people all around the country and stolen their cash on the pretence of checking to see if it is genuine money. They are producing false identification to assist the process.

Advice:

- An Garda Siochana will never ask people about their finances on the doorstep of their homes and will never ask to check money
- Always ask for Identification and do not be afraid to question it. If in doubt politely tell the caller that you want to verify their true identity. If necessary contact your local Garda Station who will be able to establish quickly if the caller is a member of An Garda Siochana.
- Report any such activity to your local Garda Station even if you have not been the victim of a theft. That report could save a neighbour or someone else close by.

- Please check on elderly neighbours, family and friends and advise and reassure them

As the first step, we are looking for the people of Kildare to tell us what heritage means to them and how we can work together to protect it through this plan.

Submissions are being sought from the public to help guide this process through public information sessions (including an online presentation) to engage as widely as possible with people. These submissions will be considered for the draft Heritage Plan. By attending the information session, you will also find out what connects Napoleon Bonaparte and Allenwood Power Station!!
